

Partnership plan 2024-2025

ÉTS's DCI
Delegation of Computer Science competitions

The DCI

The Délégation des Compétitions en Informatique (DCI) is ÉTS's computer security and hackathons club. We form teams to participate in computer science competitions, attend conferences and organize competitions within ÉTS. We're here to provide an effective learning environment for the next generation of industry professionals.

Through partnerships, DCI aims to promote collaboration and encourage fruitful exchanges between students and industry professionals, making us a must for ÉTS's software and IT engineering students.

The Delegation's activities

Our delegation participates in numerous events every year. This year, we would like to register a delegation for a minimum of 5 competitions:
CS Games, NorthSec, JDIS games, CyberSci and HackFest.

We also participate annually in the organization of an inter-university competition: the United CTF.

Partnership

We are always on the lookout for partners to help us carry out our activities. We offer various means of visibility to our partners, so that they can make themselves known at the events in which we participate.

Bronze 500\$ Silver 1000\$ Gold 1500\$ Platinum 2000\$ Diamond 2500\$ +
